

MOG/WOG 2010 – “Follow the Leader”

Session Speaker Scripture Suggested Guideline

The following is on the Website and the flyer:

Session theme: “run your race”

While at MOG/WOG it is our goal to equip your students, adults, and you to be able to say “we are following the Leader – Christ, as we run our race for His glory.” Students who are running their race for Christ with all they are, is an awesome thing! During this time, campers will be challenged and encouraged to “*light their torch, run with their torch, and to pass their torch*” as they run for the Glory of God! Christ calls them to have an influence for His kingdom, what an honor!

The following are the suggested Scriptures and some suggested Points for the Sessions.

Main Theme: “Run Your Race”

God has called the Christian from lostness into a life of obedience! This obedience is lived out as one runs his race. This race is the one God has laid out before us.

Light Your Torch

Hebrews 12:1-2 11:1-40

Some points:

You are not alone

Greatness is not always in this world

True worth & true life and the focus of living with God eternally

Run with Your Torch

Hebrews 12:1-11

Discipline

Holiness

Both Discipline and Holiness are for our Good

We must endure, marathon vs. sprint mentality (notice Hebrews 11 and their endurance)

Pass Your Torch

Hebrews 13:10-16

We stand on the shoulders of the saints

We must get our hands dirty (Jesus suffered outside the gate and we must minister in the same place, where it is dirty and dangerous)
